NOTICE TO THE TRADE – DECA NOTICE 16-97

SUBJECT: Value Brands Program Selections for August 1-December 31, 2016

The purpose of this notice is to inform industry regarding the attached Value Brands Program selections for the period August 1 through December 31, 2016. The Value Brands Program is worldwide. Pricing must be transmitted by COB Sunday, July 10, 2016, effective August 1st for the selected items (see attached). Alaska and Hawaii pricing may be higher to accommodate first destination transportation costs.

Value Brand items will be identified at the shelf with an orange “Value” label. Please note that “Value” labels have priority in all of our commissaries. Promotional signs may not be placed over the “Value” label. Items identified as Value Brand items provide the most consistent everyday low price for the duration of the program that is equal to, or better than, private label brands found in commercial supermarkets (e.g., similar formulation and size or count).

The Value Brands Program will continue to be communicated to our patrons through in-store marketing kits, outlets such as DeCA’s social media platforms (Facebook, Twitter, Pinterest, etc.), commissaries.com, radio spots in all stateside stores, and on AFN-radio and TV overseas.

Points of contact for this program are Ms. Sallie Cauthers, sallie.cauthers@deca.mil or (804) 734-8000, ext. 48769; and Ms. Jennifer Baker, jennifer.baker@deca.mil or (804) 734-8000, ext. 86338.
