NOTICE TO THE TRADE – DECA NOTICE 17-24

SUBJECT: DeCA NTT 17-23 Rescinded

DeCA NTT 17-23, Extension to Submit Electronic Data Interchange (EDI) Pricing, published earlier today is rescinded. The NTT is rescinded because we erroneously indicated that March 1 pricing would be available to view in the DeCA pricing system today, February 24. Instead, pricing will not be available for viewing until Monday, February 27. The deadline for submitting EDI pricing for the March 16 pricing period is extended from February 25 to March 2, 2017.

We have also received questions regarding the 1% recoup calculation. The 1% recoup is computed based on the Regular Base Cost and then subtracting the promotional cost adjustment; e.g., **[Regular Cost x (1 + 1% Recoup)] – Promotional Cost Adjustment = Retail Price**. The computed result is rounded upward to the next cent using the zero mil rule.

The point of contact for this notice is Mr. Gordon Jones, [gordon.jones@deca.mil](mailto:gordon.jones@deca.mil), 804-734-8000, extension 48240.
