

DEFENSE COMMISSARY AGENCY FORECAST OF CONTRACT OPPORTUNITIES FISCAL YEARS 2016-2017-2018

The forecast of the Defense Commissary Agency (DeCA) contracting opportunities is published pursuant to 15, U.S.C. section 637(a)(12)(C). This document is developed to make available to small business firms a list of anticipated consolidated business opportunities for Fiscal Years 2016, 2017, and 2018.

This forecast represents DeCA's best estimate of contracting opportunities. The information is published for planning purposes only and is not an invitation for bids, a request for proposals, or any contractual commitment by DeCA to purchase the identified goods or services. Each forecasted action is based on the best information available at the time of publication. Forecasted actions may be revised or canceled at any time and are not binding on DeCA. The actual method used to acquire a given forecast action will be determined by the application of law and circumstances at the time the specific action is initiated.

DeCA operates the worldwide commissary function for the Department of Defense (DoD). The agency is headquartered at Fort Lee, Virginia; consisting of three regions: DeCA East, Fort Lee, VA; DeCA West, McClellan, CA; DeCA Europe, Kapaun Air Station, Germany. We acquire supplies, services, equipment, brand/non-brand name subsistence and resale services in support of the commissaries.

The official source to find business opportunities with DeCA is the Federal Business Opportunities (FedBizOpps). Each day the FedBizOpps lists Federal business opportunities worth \$25,000 or more, identifies subcontracting opportunities, and lists contract awards. Generally, contractors first learn of a competitive acquisition when the public notice appears in FedBizOpps. Such public notices contain information pertaining to specific solicitations and are far more detailed than this forecast. In contrast, this forecast is intended to provide small business firms with projections sufficient to permit advance planning and preparation.

Information on FedBizOpps is available at www.fbo.gov.

Questions concerning this forecast should be directed to the DeCA Small Business Group at small.business@deca.mil

Questions concerning specific contracting opportunities should be directed to the respective points of contacts identified herein.

April 7, 2016
