NOTICE TO THE TRADE – DeCA NOTICE 16-67

SUBJECT: Accepting Value Brands Program Item Presentations

The purpose of this notice is to inform Industry that the Defense Commissary Agency (DeCA) is accepting presentations for the Value Brands Program for the period beginning **August 1, 2016, through March 31, 2017**. Item(s) presentations should be submitted to the respective category manager by **close of business May 19, 2016**. Considerations will be made for all categories, but emphasis will be placed on the attached specified categories.

The Value Brands Program is worldwide and prices are effective for the duration of the program. Presentations must include pricing for all DeCA price zones. Pricing for overseas commissaries (Europe and Pacific to include Guam), Guantanamo Bay, and Puerto Rico should be the same as prices quoted for commissaries in the 48 Continental United States. Alaska and Hawaii pricing may be higher to accommodate first destination transportation costs.

Value brand items are comparable in quality and price with store/private label. Criteria for selecting items for this program are: 1) item(s) must be lower in price than the equivalent store/private label item (formulation and size) as measured versus the average store/private label price of the top selling (unit sales) item in All Other Channels (xAOC) for the past 26 weeks; 2) value brand items must be the lowest priced item(s) within the category.

Value brand items will be identified at the shelf with an orange VALUE label. Please note that VALUE labels have priority in all of our commissaries. Promotional signs may not be placed over the VALUE label. Items identified as Value Brands provide the most consistent everyday low price for the duration of the program that is equal to, or better than, private label brands found in commercial supermarkets (e.g., similar formulation and size or count). The Value Brands Program will continue to be communicated to our patrons through in-store marketing kits, outlets such as DeCA's social media platforms (Facebook, Twitter, Pinterest, etc.), commissaries.com, and radio spots in all stateside stores, and on AFN-radio and TV overseas.

Points of contact for the Value Brands Program are each respective category manager and Ms. Jennifer Baker, Sales Directorate, 804.734.8000 extension 86338, [jennifer.baker@deca.mil](mailto:jennifer.baker@deca.mil). The support of our industry partners is greatly appreciated.
