NOTICE TO THE TRADE – DeCA Notice 17-28

SUBJECT: Fort Lee Access Passes

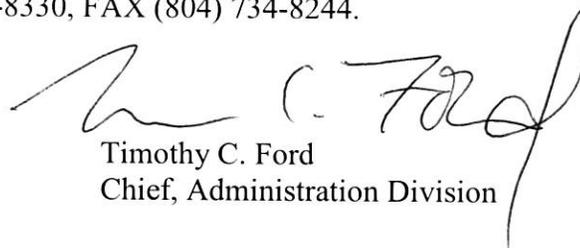

Fort Lee has informed HQ DeCA that all installation access passes that were issued in 2016 will expire on April 30, 2017. This applies to contractors, volunteers, civilian employees, and vendors who are not eligible to receive a Common Access Card, but work within or regularly visit the Headquarters.

On April 15, 2015, new gate security measures went into effect at Fort Lee. In accordance with revised entry guidelines received from Fort Lee:

- Individuals who visit HQ DeCA less than six times per year must report to Visitor Control Center at the Lee Avenue gate to receive a single-day access pass for each visit. The Siskey Boulevard Gate is now open 24 hours daily and is the main access point to Fort Lee.
- Individuals who visit HQ DeCA more than six times per year must complete and re-submit Fort Lee Form 190-3, Request for Unescorted Installation Access to Fort Lee, to the HQ DeCA point of contact (POC) listed below. A fillable version of this form is attached for your convenience. Forms may be faxed to the POC. Paper copies of the form can be picked up and returned to the Headquarters reception desk. Completed forms must be received not later than close of business March 15, 2017.
- Do not email the Fort Lee Form 190-3. We have no way to open encrypted email sent from a private sector email service. We are not aware of any method to protect personally identifiable information sent by email from a private account to DoD account.
- Non-CAC-eligible individuals who work within or call on the Fort Lee Commissary must pick up Form 190-3 in the commissary administrative area and return it to the secretary.

If Fort Lee denies access due to the finding of derogatory criminal information, a waiver may be requested by completing the attached Fort Lee Form 190-4, Fort Lee Access Control Denial Waiver Application, and submitting it in accordance with the instructions attached to the form.

POC is Gloria Crowder at (804) 734-8330, FAX (804) 734-8244.

Timothy C. Ford
