NOTICE TO THE TRADE - DECA NOTICE 17-34

SUBJECT: Store Reset Schedule – CY 2017

The purpose of this “Notice to the Trade” is to provide the approved reset schedule for 2017. These store resets have been approved for full or partial store resets. The dates listed below are projected and could change contingent upon the renovation status. This schedule is posted to www.commissaries.com on the planogram view page. Changes will be posted as they occur so please check back often for these updates.

In order to complete this aggressive schedule, vendor support will be extremely important. This is imperative in those states where the travel time to the store is included in the scheduled tour of duty for vendor support. As we approach the reset dates, an additional store specific NTT will be disseminated to include the reset timeline, set up information, and required delivery dates for vendor supplied equipment. Your support is greatly appreciated.

If there are any questions or concerns please contact Darnell Hicks, Sales Directorate, 804-734-8000, extension 4-8293 or Mary Michael, Sales Directorate, 804-734-8000, extension 4-8228.

Gordon Jones
Deputy Director of Sales
