NOTICE TO THE TRADE - DeCA NOTICE 17-53

SUBJECT: Enterprise Black Belt Project

DeCA has kicked off an enterprise black belt project and a team comprised of headquarter specialists will be conducting a study of small, medium and large produce departments measuring operational processes for: ordering; receiving; processing; blocking/balancing financial documents, contract management, category management and resource management.

We ask that these team members not be interrupted while in the store timing processes.

Questions regarding this project may be directed to Mr. Marc Petit, marc.petit@deca.mil or, 804-734-8000, extension 48129.

Marc R. Petit  
Master Black Belt
