NOTICE TO THE TRADE - DECA NOTICE 19-47

SUBJECT: 2019 Store Reset Schedule – Update

The purpose of this “Notice to the Trade” is to provide the updated reset schedule for 2019. The Fort Eustis, VA, reset dates have been updated to reflect NTT 19-36. The El Centro, CA reset dates have changed to September 16-18, 2019. The Bangor ANGB reset has been canceled until further notice. As a reminder, the dates listed below are projected and could change contingent upon the renovation status. This schedule is posted to www.commissaries.com on the planogram view page. Additional changes, if necessary, will be posted as they occur so please check back often for these updates.

As a reminder, in order to complete this aggressive schedule, vendor support will be extremely important. This is imperative in those states where the travel time to the store is included in the scheduled tour of duty for vendor support. As we approach the reset dates, an additional store specific NTT will be disseminated to include the reset timeline, set up information, and required delivery dates for vendor supplied equipment. Your support is greatly appreciated.

NOTE: Fort Eustis, VA commissary reset will entail executing updated store specific planograms within the currently allocated space and location for each category and performed after store closing hours to ensure minimal impact on the patrons.

If there are any questions or concerns please contact Darnell Hicks, Marketing Directorate, 804-734-8000, extension 4-8293 or Brian Myrick, Marketing Directorate, 804-734-8000, extension 4-8371.
