NOTICE TO THE TRADE-DECA NOTICE 19 - 52

July 18, 2019

SUBJECT: China Lake NAWS, CA Store Reset, August 17-19, 2019

The purpose of this "Notice to the Trade" is to announce the China Lake NAWS Commissary dry, chill, freeze, pre-packaged meat, and produce reset with full shelving change out. The store has sustained damages that necessitates a replacement of all shelving and is being added to the 2019 reset schedule. We are requesting assistance to help support the store in getting back to full operation to more adequately support the community after the earthquakes.

The reset schedule is as follows:

- Saturday, August 17, pull ESLs, followed by dry grocery starting at 6 p.m.
- Sunday, August 18, reset the complete dry grocery section and freeze sections starting at 8 a.m.
- Monday, August 19, reset the complete chill and pre-packaged meat sections at 8 a.m. with produce starting at 12 p.m.
- Tuesday, August 20, reopen the store at the regular hours of operation.

In order to complete this aggressive schedule, DSD vendor support will be extremely important, especially for the duration of the store set dates.

Full support from vendor stockers and attendees will be requested to help stock so we can open with adequate supply for the community.

Please provide all industry provided equipment as if we are opening a new store.
