NOTICE TO THE TRADE - DECA NOTICE 19-72

SUBJECT: Store Reset Schedule – CY 2020

The purpose of this “Notice to the Trade” is to provide the updated reset schedule for 2020. These store resets have been approved for full or partial shelving store resets. The dates listed below are projected and could change contingent upon the renovation status. This schedule is posted to [www.commissaries.com](http://www.commissaries.com) on the planogram view page. Additional changes, if necessary, will be posted as they occur so please check back often for these updates.

As a reminder, in order to complete this aggressive schedule, vendor support will be extremely important. This is imperative in those states where the travel time to the store is included in the scheduled tour of duty for vendor support. As we approach the reset dates, an additional store specific NTT will be disseminated to include the reset time line, set up information, and required delivery dates for vendor supplied equipment. Your support is greatly appreciated.

All 2020 full shelving replacement stores will have uniform shelving sizes installed (all shelves the same depth in the aisles).

If there are any questions or concerns please contact Darnell Hicks, Marketing Directorate, 804-734-8000, extension 4-8293 or Brian Myrick, Marketing Directorate, 804-734-8000, extension 4-8371.

Hector G. Granado  
Director of Marketing
