EXPANDED SHOPPING PATRONAGE

The John S. McCain National Defense Authorization Act of Fiscal Year 2019 expanded commissary shopping patronage to certain veterans and veteran caregivers effective January 1, 2020. Veterans awarded the Purple Heart, Medal of Honor recipients, former Prisoners of War, veterans with service-connected disabilities, and their caregivers are authorized access to the commissary.

To offset increases in expenses incurred by the Department of the Treasury, associated with the use of credit or debit cards, those individuals who have been granted authority to shop solely under the provisions of this Act will be assessed a user fee when they use credit or debit cards to pay for their purchase.

Thank you for shopping at your commissary.
